

# NUMBERS 1-100

1 \* 10 = TEN  
 2 \* 10 = TWENTY  
 3 \* 10 = THIRTY  
 4 \* 10 = FORTY  
 5 \* 10 = FIFTY  
 6 \* 10 = SIXTY  
 7 \* 10 = SEVENTY  
 8 \* 10 = EIGHTY  
 9 \* 10 = NINETY  
 10 \* 10 = A HUNDRED

20 + 1 = TWENTY - ONE  
 30 + 2 = THIRTY - TWO  
 40 + 3 = FORTY - THREE  
 50 + 4 = FIFTY - FOUR  
 60 + 5 = SIXTY - FIVE  
 70 + 6 = SEVENTY - SIX  
 80 + 7 = EIGHTY - SEVEN  
 90 + 8 = NINETY - EIGHT

Find the numbers in the grid and write them starting from the smallest:

D	T	E	N	T	H	I	R
E	G	H	T	Y	T	W	T
R	I	S	I	X	T	E	Y
D	E	Y	T	Y	Y	N	F
N	Y	T	F	I	F	T	O
U	T	E	N	I	N	Y	R
H	N	E	V	E	S	Y	T
A

---

Match the numbers to the words:

40

95

39

81

fifteen, eighty - one, twenty - three, forty,  
ninety - five, fifty - seven, fourteen, thirty - nine

15

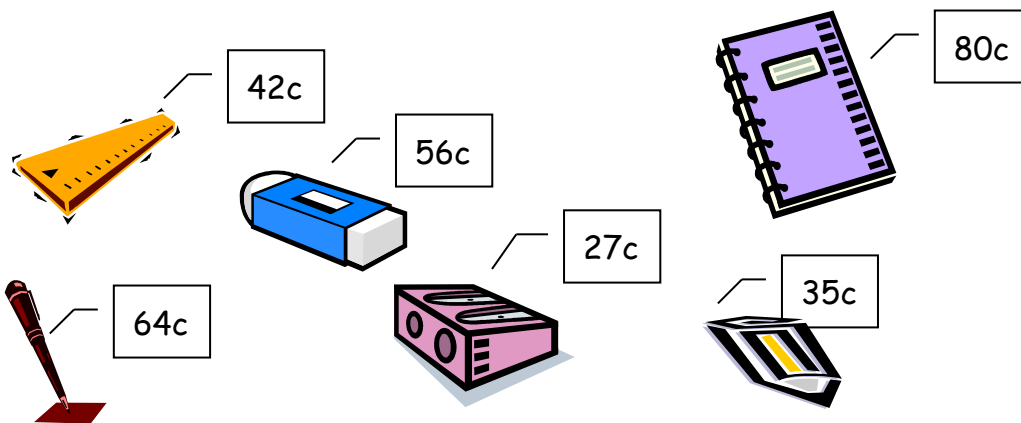

23

14

57

True or False?

Look at the pictures, read the sentences and tick ✓ or cross ✗

1. The rubber is forty - two cents. ☐
2. The pencil is twenty - seven cents. ☐
3. The sharpener is sixty - five cents. ☐
4. The pen is sixty - four cents. ☐
5. The notebook is eighteen cents. ☐

### How much is it?

Tom and Jenny are at the bookshop. Read the sentences. Can you think how much money they pay?

Tom wants a rubber and a ruler. He pays

---

Jenny wants a pencil and a sharpener. She pays

---

Now ask and answer as in the example:

**Student A:** How much is the ruler, please?

**Student B:** It's 42 cents.
